Installation fee (once)	CHF 450	1'950 CHF	4'950 CHF	individual 170 CHF / hour

Prices are listed in Swiss Francs (CHF)

* OAI-PMH allows the updates of the geo-search every night. Export must be provided from the external service. Initial installation and configuration is charged with the one time fee 4950 CHF.

The standard installation contains access to the OpenSearch/JSON MapRank Search endpoint and a demo JavaScript application customisable with CSS / HTML editing (own colours / header / logo / custom look & feel can be altered by the customer in-house).
Modifications based on customer specification and special customisation of the design are provided after order and are charged with the standard rate 170 CHF / hour.

This price list is valid from 1.1.2015 until further notice.
